PETITION FOR FILING DATE

CHECK Refund Totals: \$65.00  
Hon. Commissioner of  
Patents and Trademarks  
Washington, DC 20231

Sir:

This is a petition to have a filing date of June 20, 2001 accorded to  
the above-identified patent application. This petition is accompanied by the \$65  
fee.

Attached is a copy of Notice of Incomplete Nonprovisional Application dated August 20, 2001. The notice denies a filing date because the specification does not include at least one claim. However, Pages 12-15 of the application, a copy of which is enclosed, contain 21 claims. These pages were included in the application papers submitted to the USPTO.

As evidenced by the return postcard from the USPTO, a copy of which is enclosed, the application as filed contained four pages of claims.

In view of the foregoing, it is respectfully requested that this application be accorded a filing date of June 20, 2001.

Respectfully submitted,
